QUESTIONS FOR THOUGHT AND DISCUSSION:

1. What impressed you most from the above passages?

2. How would you define fellowship?

3. Why is fellowship important?

4. What are some of the "elements" of fellowship? i.e. What are some things that take place during times of fellowship?

5. What are some factors mentioned above that you have experienced? That you have not experienced? That you are not now experiencing but would like to?

FELLOWSHIP

6. What do you feel are needs that could be met in a close, loving fellowship that otherwise would not be met?

7. Are there any terms referred to in the above passages that you are uncertain as to their meaning? What are they?

8. If a person were to be a part of a committed, loving fellowship, what would that require of him?

9. Would a committed, loving fellowship result in cliquishness, or would it enhance outreach?

10. What evidence is there that fellowship has different levels? For example, the fellowship among a large group and the fellowship of a few. If so, what factors would be the same in all levels of fellowship, and what factors would be different?

11. What can you do to help improve the quality of fellowship you are having with other Christians?
