

Pacific Church of Irvine

WOMEN'S RETREAT November 7-9, 2014 - Forest Center

Leave your to-do list at home and surround yourself in God's creation and a community of women pursuing Christ. Allow us to care for you in the way that you care for your loved ones. We love serving you as you focus your energy on renewal and rest in the Lord. Forest Home's Women's Retreats are designed to reignite your faith, within the power of community or the joy of solitude. Get away from the stresses of daily life and rediscover Jesus.

GIGI GRAHAM: SPEAKER

As the eldest daughter of Billy and Ruth Graham, a mother to seven children and a grandmother to 19 (and counting), Gigi Graham draws from a wealth of wisdom when she speaks. Gigi has shared at conferences throughout the U.S., Canada and Europe. She is also the award-winning author of four books, including *Currents of the Heart* and *A Quiet Knowledge*. While she comes from a renowned Christian family, her messages often focus on her shortcomings and her continual striving to be more Christ-like. She lives in the mountains of North Carolina, where she is active in the ministry at the Bill Graham Training Center, The Cove.

DEANNA RAMSAY: MUSICIAN

Deanna Ramsey is a gifted musician who has recorded more than 50 albums and commercial jingles. Deanna's ministry has taken her throughout the U.S. and Canada, as well as Europe where she performed for U.S. Troops overseas. She has sung on several television broadcasts and although both she and her husband Jon are highly sought out vocalists in both the secular and Christian markets, their hearts are with the local church and in seeing lives transformed by Jesus Christ. Deanna and her husband are based in Orange County, California, where Jon is a worship pastor at Mariners Church and Deanna is a full time musician and mom to their four children.
